The river is again on the ascendant.

Arrivals.

easant.

next and clean.
The sight was durk and storny, the wind was baseling wind.
A patient mother watched beside the death-best of her critic.
A little worm-out creature-kits once bright eyes grown dust; was the cyclic's wite and child—they called him * Latio Jim.* And, chi to see the bring tears fast unrrying French and German Buttons,

And, the the see the bring teers has harrying given her close it.

As able offered up a prayer in thought—she was straid to speak.

East her might waken one she loved for better than her life, then had all a mother's heart, had that poor coiner's a vife.

Whe hands sufficiently, see t she kneets beside the sufferer's bed.

And praye that fire will spare her boy, and take beside instead.

She gets her answer from the child—out falls these words from him: "Scatter, the angula do so smalls, and becken 'Little libs,' time dom, dear mother, now, but, oh, I am so dryst modstein poor Jim's line squin, and, mother,
st modstein poor Jim's line squin, and, mother, Jost measure poor aim a transport of the control of the light.

With genthe, remiding haste she half a tencent to the light.

He stailed to thank her as he took three little flay sign.

Tell father, when he comes from work, I said, thood-night to thin!

And, usether, now I'llgo to sleep." Aim! poor "Little Jim."

She saw that he was dying that the calld sh lived so dear Had where the host words that she might ever hope to hear. The oc same door is opened—the collier's step is heart— The father and the motive meet, but neither speak a word. He juit that all was o'ez-he knew los child was He took the condle in his band and walked i-word the best; fain counsel.
And set its wise has juined him-the stricksized couple kneel;
With hearts bowed down with andness, they
humbly ask of Him In Heaven once more to meet again their own poor "Little Jim."
